Dear Mr. Dilworth:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-In your response dated November 6, 2004, you indicate that the FEC "refuses to allow" your Termination Report to be withdrawn. Please be advised that the reference to "Amended Termination Report" above does not imply that the request to withdraw the Termination Report has been denied. Your request to withdraw your termination request has been accepted; however, the Termination Report filed will not be deleted from the public record, as it reflects your Committee's activity from July 1, 2004 through August 5, 2004. Further, as requested in an FEC inquiry dated October 13, 2004, the \$333,558 obligation your Committee owes to the US Treasury must be disclosed on Schedule D supporting Line 10 of the Summary page. Please amend the "Amended Termination Report" you filed on September 27, 2004, to disclose this obligation on Schedule D. All debts and obligations must be disclosed until extinguished, even if disputed. 11 CFR §§104.11 and 106.11

In addition, as you have been notified of previously, be advised that your Committee is required to file reports in accordance with the monthly filing requirements outlined under 11 CFR §104.5(c)(3) and (4).
